

## Instructions for Downloading the ALMA App on iPads

Please make sure to have your Apple ID account set up so you may download the free ALMA App.

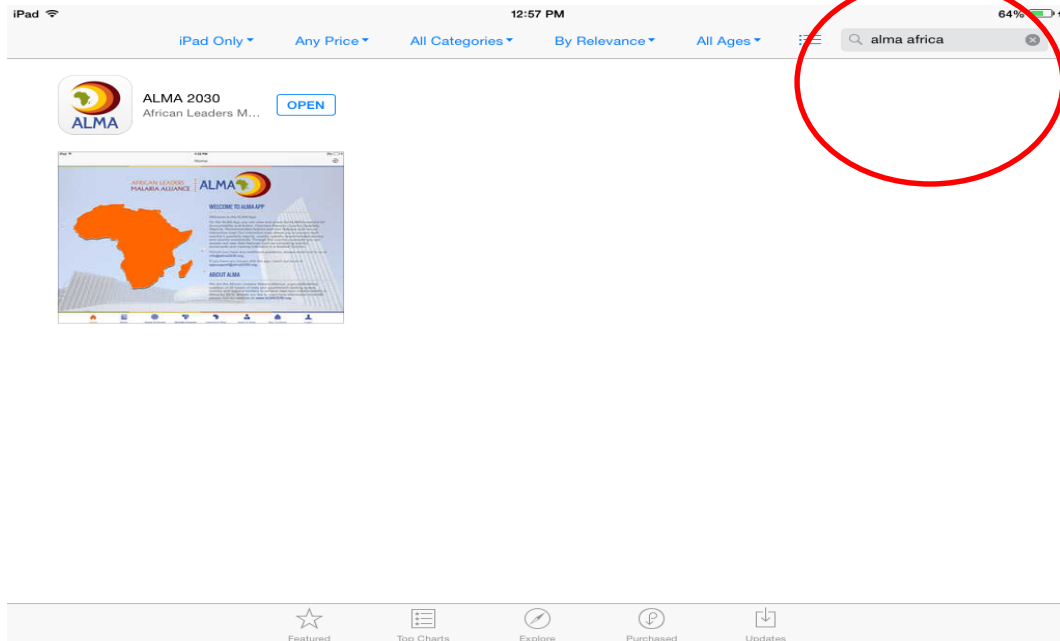

1. Go to the home page of your Apple iPad. Touch on the icon for the App Store.

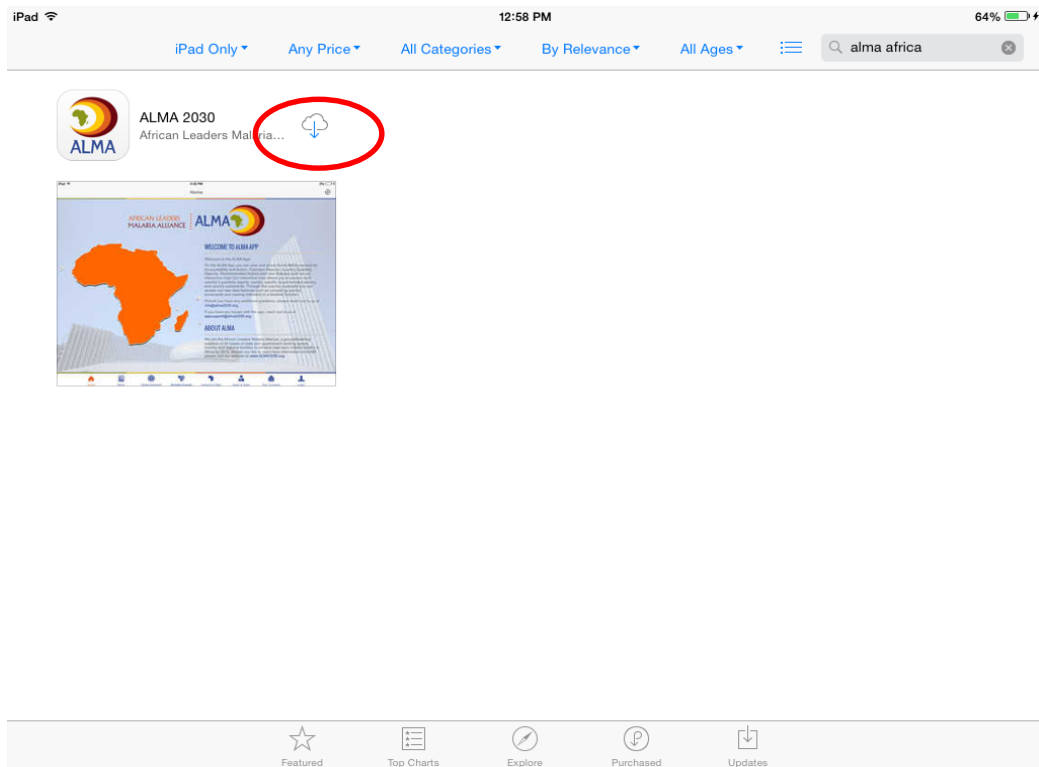

2. Once on the App Store home page, touch on the grey search bar in the top right corner of your screen.

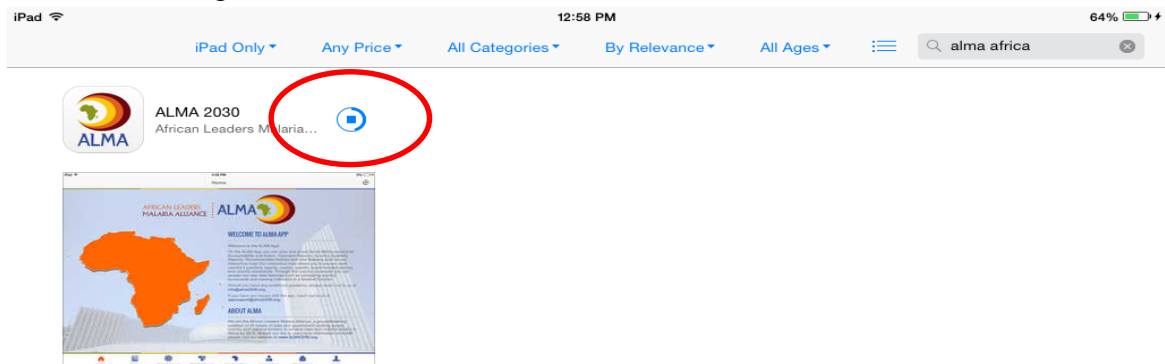

3. Your keyboard will automatically pop up when you touch on the search bar. Type any of the following **search key phrases: alma Africa, alma malaria, alma alliance, African leaders or malaria alliance.**

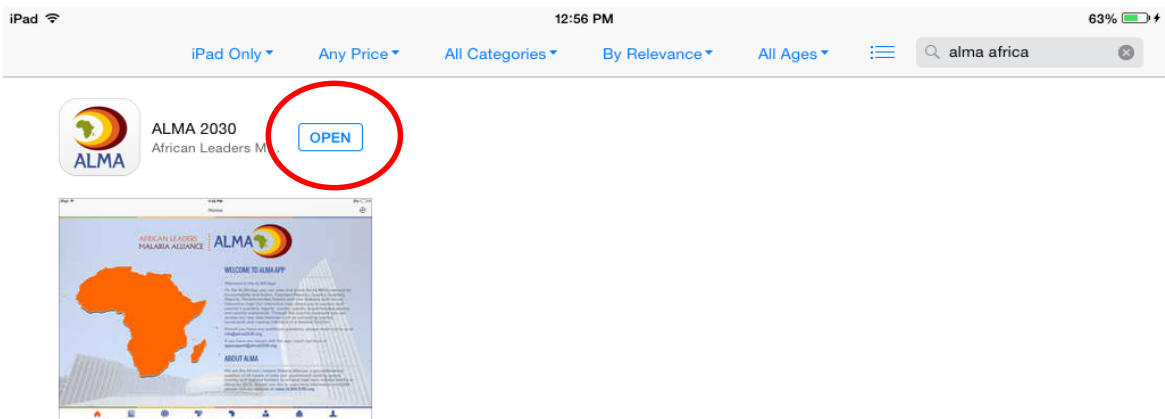

4. Once you have entered any of the **search key phrases**, you will see the ALMA App displayed on the left side of your screen. Next to the ALMA logo a small cloud with an arrow will appear. Touch on the cloud to download the ALMA App.

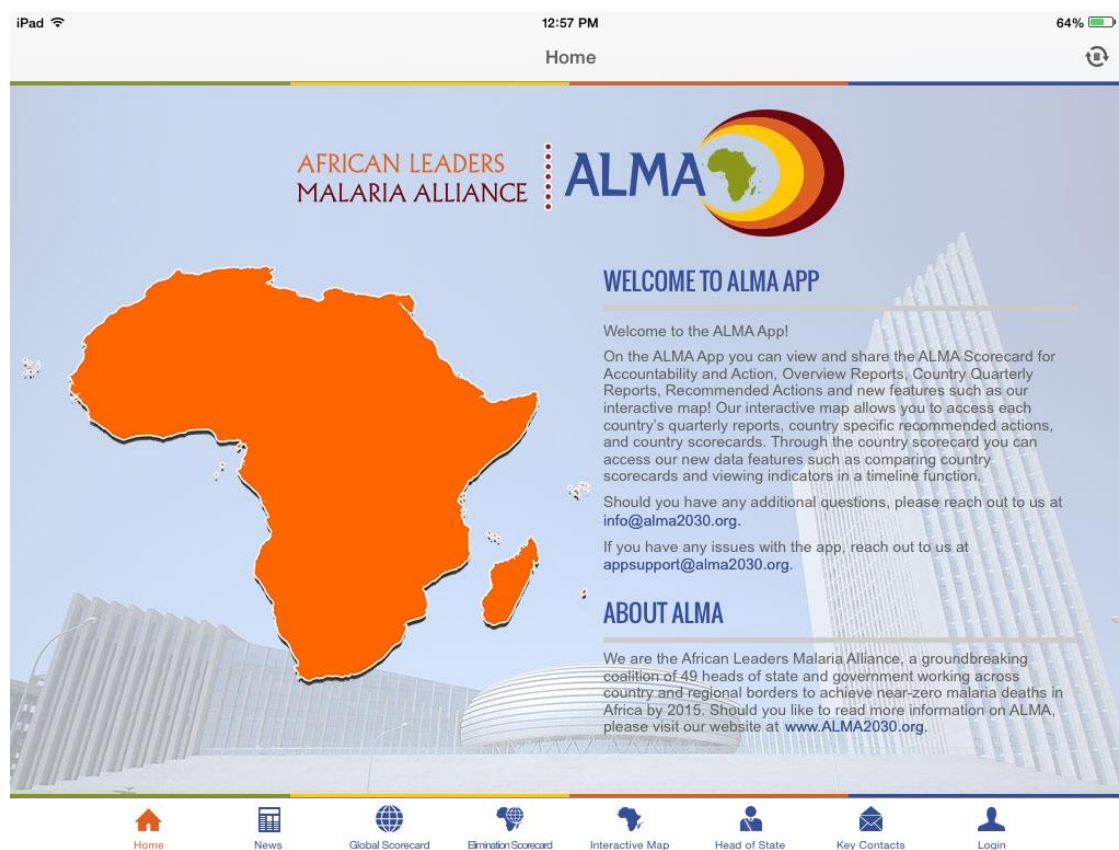

5. Once you have touched on “**INSTALL**” or the small cloud button, the button will change to a small blue circle with a blue square in the center. This means your app is downloading.

6. Once the ALMA App has finished downloading, the button will change a **THIRD TIME** and now say the word “**OPEN**” in blue. Touch on the button “**OPEN**” to open the ALMA App.

7. After you have touched on the button to open the ALMA App in the step above, the ALMA App home page will come up on your screen, as shown below.
