Description of metrics

	Metric	Definition
Policy	<ul style="list-style-type: none"> Removal of tariffs on anti malaria commodities 	<ul style="list-style-type: none"> # of tariff-free commodities
	<ul style="list-style-type: none"> Oral Artemisinin Based Monotherapy (OAM) Ban status 	<ul style="list-style-type: none"> Status of marketing of OAM
	<ul style="list-style-type: none"> Community case management 	<ul style="list-style-type: none"> Presence of a CCM policy for pneumonia and malaria
Financial control	<ul style="list-style-type: none"> World Bank CPIA Cluster D rating 2009 	<ul style="list-style-type: none"> WB rating of public sector management and institutions
Commodity financing for universal coverage	<ul style="list-style-type: none"> LLIN financing 2011 projection 	<ul style="list-style-type: none"> # LLINs funded as % of # LLINs required to achieve universal coverage
	<ul style="list-style-type: none"> Public sector ACT financing 2011 projection 	<ul style="list-style-type: none"> # treatments funded as % of # treatments required to achieve universal coverage (in the public sector)
	<ul style="list-style-type: none"> Public sector RDT financing 2011 projection 	<ul style="list-style-type: none"> # tests funded as % of # tests to achieve universal coverage (in the public sector)
Implementation	<ul style="list-style-type: none"> Operational coverage of LLINs 	<ul style="list-style-type: none"> % of at-risk population covered by LLINs
Impact	<ul style="list-style-type: none"> Reduction in malaria cases by >50% (vs. 2000) 	<ul style="list-style-type: none"> As described

Maternal and child health indicators are being revised in discussion with partners

Metric	Definition
PMTCT coverage 2009	% HIV positive pregnant women who received ARV prophylaxis
Skilled birth attendant	% deliveries assisted by skilled birth attendant
Exclusive breastfeeding	% children under 6 months who are exclusively breastfed
DPT3 coverage	% of 12-23 months old immunized

Metrics are being aligned with the Commission for Information and Accountability for Women’s and Children’s Health, to ensure complementarity
